The Fashion Retail Academy, awarded Ofsted Outstanding, is a unique, employer led college. It was founded in 2005 as a unique private-public partnership with investment from the retail industry matched by the government.

We offer a wide range of specialist fashion Diploma, Degree and Short courses, many of these exclusive to the FRA, for students of all ages with start dates throughout the year. Our courses are developed to provide our students with a combination of an in-depth knowledge of Fashion Retail and hands on practical experience of the work environment. Supported by and working closely with over 140 fashion brands most full-time courses provide a guaranteed work placement with a major high street brand, ensuring graduates leave with a wide range of skills and experience to take them into the workplace. Our success lies in providing the fastest route to work, simultaneously giving students vocational experience and support to find a job role on graduation.

We are currently looking for an experienced Functional Skills Tutor, who will plan, teach and support Apprenticeship students to complete their functional skills qualifications. The successful candidate will have experience of delivering best practice and inspirational classroom, work-based, group and 1-2-1 sessions with the aim to maximise student progress and enhancing the student experience.

It is essential that you have a comprehensive understanding of functional skills curricula and examination processes, with considerable teaching experience of Maths and English. You will have a positive attitude, be flexible in your approach and absolutely committed to the best outcomes for your students. Relevant experience of the retail industry will be an advantage. Excellent organisational, communication and time management skills are essential for this role.
